

Screenshots

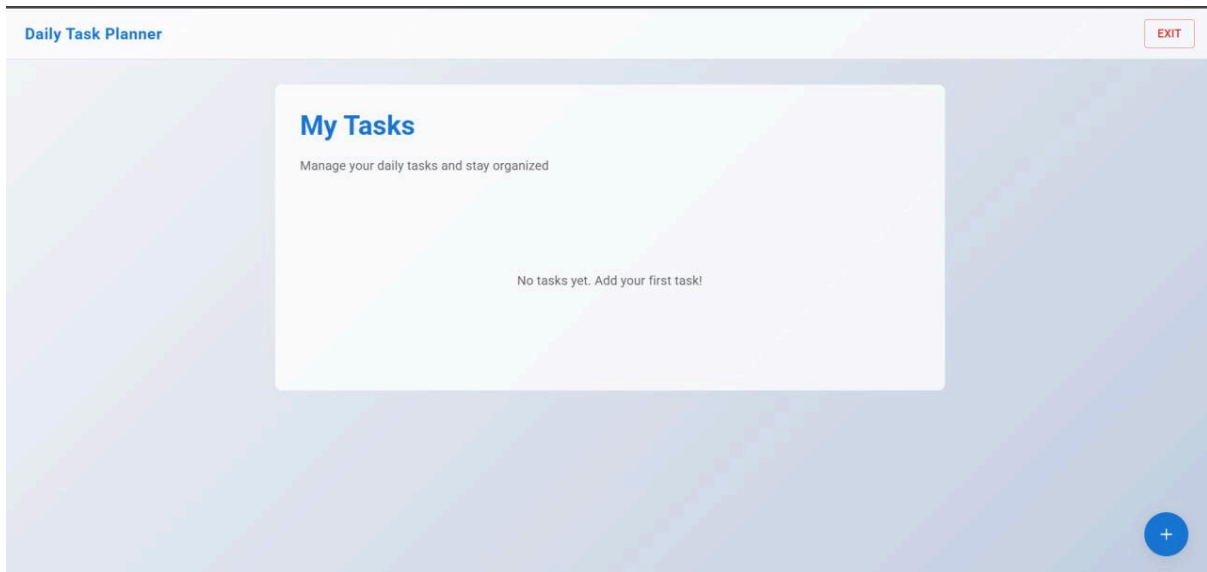

A screenshot of a registration form titled "Register". The form is centered on a light gray background. It contains three input fields: "Name *", "Email *", and "Password *". Below these fields is a blue button labeled "SIGN UP". At the bottom of the form, there is a link that says "Already have an account? [Login](#)".

This is our registration page , where you need to authorize first , write your information like name , email and password. Then when you will finish it will automatically turn to the home page.

A screenshot of a login form titled "Login". The form is centered on a light gray background. It contains two input fields: "Email *" and "Password *". Below these fields is a blue button labeled "SIGN IN". At the bottom of the form, there is a link that says "Don't have an account? [Register](#)".

This is our login, if you have already registered , you may just write the email and your password and then you will see the home page.

This is our homepage , where we can create our tasks. The tasks can be our regular activities or something else . To start we need the click to the button on the bottom right. Which will open the modal.

× **Add New Task**
